Parent's Guide

This guide is for parents and guardians sending children to Pilgrim Lodge.

There are other guides: one for those attending adult camps, and one for those attending family or grandparents camps.

PILGRIM LODGE

Greetings Parents and Guardians!

Thank you for considering sending your child to Pilgrim Lodge this summer. I hope you hear some inspiring and joy-filled stories on the ride home and throughout the next year. This guide has been developed to help parents prepare for their child's time at Pilgrim Lodge. It is very important that you take some time to sit down and read it carefully before registering your child for camp. This will help you and your child know what to expect and will help prevent

miscommunications on policies and procedures when camp time comes. We are always looking to improve our program and communication so if you have any suggestions please do not hesitate to contact me, or any member of the Outdoor Ministry Committee.

If you will be attending one of our family camps, or coming yourself as an adult, please be sure to obtain (through request or download) a copy of our "Family Camp Guide" or our "Adult Camper Guide" Thank you, and please remember PL in your prayers for a safe and meaningful summer.

Faithfully,

Rev. Bryan S. Breault

This guide is intended for parents and guardians sending children to Pilgrim Lodge events 1, 8, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, & 21. Some information may not apply to trip camp events 17 & 19. Additional information will be distributed to parents of trip camp participants.

CHANGES FROM PREVIOUS YEARS

Pilgrim Lodge is now accredited by the American Camp Association!

On-line Registration: Starting March 15 parents can register their campers online using a credit card. In addition you can set up your store/mission account, and make a donation. The first time you go to register you will set up a family account and establish a user name and password. Your information is professionally secured and never sold or given away. We hope to use email to send letters and invoices, cutting the cost to administrate camp. Go www.pilgrimlodge.org for instructions.

Paper Registration: Those who choose not to make use of the on-line registration option can still register with paper. The registration materials are not included in this year's camp brochure, however a form can be found in this guide on page 9. Please contact us using the contact information on page 2 if you have questions.

Password Protected Photos: In the interest of children's security, (and because of new laws to protect children) you will have the opportunity to set up an account for \$10 that will generate a password to access the on-line photos of your children at camp and send them email. You will also have an opportunity to purchase prints of the photos if you choose. This new system will allow us to post *many more photos* than in previous years. CD-roms will still be available from the camp store. You can set up a photo/email account without using the on-line registration but you will need a credit card to do so.

E-mail to campers will now be in the form of "Bunk Notes." After setting up your photo/email account for \$10 (see above) you will be able to purchase 'bunk note credits.' Each morning, the Bunk Notes system bundles and sorts the messages for us to print out and distribute to campers. It also protects us from computer viruses and allows us to easily manage these emails. Your payment helps us cover the cost of the system, paper, ink, and labor and, more importantly, frees us to do what we do best – be with your kids! Bunk Note credits cost \$1 each and are purchased in packs of various sizes. PL was among the first to offer email to campers but after multiple viruses and increasing costs we are converting to Bunk Notes. You are no longer limited to one email a day.

Dropping off late/picking up early: Pilgrim Lodge desires to create a community with all of its participants. Arriving late and leaving early creates gaps in that community that affect all participants. Therefore we expect campers to arrive at the designated time and to stay for the duration of the program. If you cannot make this commitment please cancel or reschedule your camp experience by calling the Maine Conference office. Deposits are non-refundable. A camper will be released for their own medical health or on the death or imminent death of a family member.

Counselorship Policy: As a thank you we will reduce the camper fee for one **household member or dependent in grades 4 - 12 by \$75** for a week long camp. Scholarships are available as well for campers in need. (The Counselorship to children of those who counsel at the half week counselors \$37)

Addition To The 'Bring' List: We ask that every camper bring a sturdy, reusable water bottle with their name clearly written on it in permanent marker.

No more address lists: Due to increasing issues of information sharing, we will not distribute lists of camper's addresses. We will distribute a list of camper's names by cabin. Campers can swap their own contact information. You should instruct your camper whether or not to share their contact information.

IMPORTANT INFORMATION

THAT PARENTS MUST READ BEFORE REGISTERING THEIR CHILD

Payment & Refunds: A non-refundable deposit of \$75 (or other amount if indicated) is required with the initial registration. The balance is due two weeks before the start of the event. **We no longer accept payment at camp.** If payment is not received on time, campers may forfeit their spot to others on the waiting list. Campers with open invoices from previous years will not be allowed to register until such invoices are paid. If a camper withdraws one week or more before the start of a session the deposit will be forfeited, while any additional payments that have been made will be refunded. If a camper withdraws less than one week before the start of a session the parent (or adult camper) will be responsible for the full camp fee; no refunds will be made. **There is no refund for campers sent home for illness, homesickness, injury or discipline.**

Behavior: Certain behaviors which are deemed inappropriate, may result in a camper being sent home and the camper's minister being notified. These behaviors include, but are not limited to, fighting; hitting; biting; stealing; destruction of, or intrusion into, another's property; threatening another; defying a counselor or dean; refusal to eat; wandering from established program areas; sexual activity; possession or use of cell phones, possession or use of weapons, alcohol, or illegal drugs. Any camper sent home will be reaccepted for an Outdoor Ministries event only after consultation with the Outdoor Ministries Committee and the Director of Outdoor Ministries.

Health Form Requirements: *Health forms are to be mailed to camp* (not Yarmouth) **at least two weeks prior to arrival.** Health forms are available on-line, or will be mailed by request. **A physical examination is required by a licensed physician within the previous two years.** Parents fill out **FORM 1** (3 pages), a *doctor's signature* is needed on **FORM 2**. If a camper has a health form on file, signed by a doctor in 2007, parents may update and re-sign last year's form upon arrival. **If you are not dropping your child off yourself but using the form from last year for your doctor's signature, be sure to also send a new FORM 1, signed and dated by a parent.** Please call 207-724-3200 if you are not sure if your child's health form is still valid. A physical *signed by a doctor* within 2 years that clears the camper for school sports or other activities may be substituted for *form 2* only. Parents still must complete FORM 1. An additional form (FORM 3) is needed if medications such as inhalers or epi-pens need to remain with the camper. These are available on-line or by request using the contact information on page 2 of this guide.

Medications: All medications (including non-prescription medicines) must be turned over to the camp nurse or designated trip leader at registration. Do not bring common over the counter medications such as Tylenol - they are available from the camp nurse. Medications should be in their original container and clearly marked with the camper's name, the name of the medication, and usage instructions. Unused medications are to be picked up at the end of the week. We recommend you speak with your doctor about your child remaining on medications prescribed during the school year while at camp.

Disclosure of Medical Conditions: In order for us to help your child have the best experience possible, the Camp Director needs to be aware in advance of any physical, emotional or behavioral needs a child may have. Special arrangements can be made. This information is shared only with those responsible for the care of your child.

Screening: A camp nurse will train staff members to perform a brief health screening upon arrival. This includes a few questions, and a check for evidence of head lice.

Health Care: A nurse is on duty during all youth camps, with standing orders from a doctor on call. We will attempt to reach parents if an illness or injury requires a visit to our on-call doctor's office or the emergency room. If we cannot reach parents, we will take the camper for treatment and continue to try to reach parents. Parents or guardians are responsible for health care costs should a camper need to be brought to our on-call doctor's office, pharmacy, or the emergency room. Invoices for such visits will be given to parents when they pick up their camper. Parents are responsible for payment directly to the health care provider. At the time the camper is picked up, parents will reimburse the Maine Conference for prescription medication purchased on a camper's behalf.

Open Registration: Rules concerning acceptance and participation in all Maine Conference Outdoor Ministries events are the same for everyone without regard to race, color, sexual orientation, gender, or national origin.

Insect Repellent and Sunscreen: Lyme Disease and other insect-borne illnesses are a risk in any outdoor activity in the state of Maine. Campers need to bring and apply appropriate, non-aerosol insect repellent. There have been cases of Lyme Disease allegedly contracted at Pilgrim Lodge. Exposure to the sun also carries risk. Campers need to bring and apply sunscreen with an SPF factor of at least 30 before outdoor activities.

Smoking: Events sponsored by the Outdoor Ministries Committee are smoke-free.

Alcohol and Drugs: Alcohol and other drugs are not permitted at Pilgrim Lodge or Outdoor Ministries events. Drugs include inhalants such as gas or glue and the misuse of over the counter or prescription medicine. Anyone using or possessing alcohol or illegal drugs will be sent home immediately and the camper's minister will be notified. All prescription & nonprescription drugs must be given to the nurse at registration.

Fireworks: Fireworks are not permitted at Pilgrim Lodge or at Outdoor Ministries sponsored events. Anyone using or possessing fireworks will be sent home immediately and their minister will be notified.

Scholarships: Scholarships are available from the Maine Conference UCC for members of Maine Conference UCC churches. Application for scholarships are available online or by request (see the contact information on page 2 of this guide). All applications must be mailed to the Yarmouth address. In addition, many local churches have their own camp scholarship program. Please ask your pastor if such a program is available in your church.

Publicity: Photographs taken of campers may be used for promotion by the Maine Conference, including, but not limited to: future camp brochures, promotional slide shows and video presentations, and the Pilgrim Lodge website. Children's names are not listed with their photos.

Drop Off and Pick Up: Drop off and pick up times are posted in the camp brochure and on-line. Any changes will be reported in a deans letter. Late drop off and early pick up are no longer available, please see page 3 for the new policy.

Visitation: Parents, family members and friends of campers are cordially invited to visit during registration and departure only. At other times campers will be fully occupied and family and friends are asked to please refrain from visiting or calling by telephone.

U.S. Mail to campers: Letters from home are encouraged. Please keep letters upbeat and do not focus on how much you miss your camper. Do not mail candy or food. Do not send any mail after Thursday's pickup. Address letters this way:

Camper's Name, Cabin # [camper's cabin number]
Name of session (ie: "Arts Alive")
Pilgrim Lodge
103 Pilgrim Lodge Lane
West Gardiner, ME 04345

E-mailing campers: See page 3 of this guide for information on new emailing procedures.

Cell Phones: Disconnecting from the world of electronics is a necessary part of camp community building. Youth campers are not allowed to possess cell phones or other forms of electronic communication at camp and may be sent home if found possessing a cell phone. Parents have access to an emergency number (207-724-3300). Using cell phones as a watch is not an acceptable excuse for possession of cell phones at camp. Aside from the fact that cell phones are expensive and can get lost or stolen and that the physical camp environment is not kind to such items, there is a fundamental problem with campers having cell phones at camp, and that is trust. When children come to camp they—and you—are making a leap of faith, temporarily transferring their primary care from you as their parents to us and their counselors.

This is one of the growth-producing, yet challenging aspects of camp. As children learn to trust other caring adults, they grow and learn, little by little, to solve some of their own challenges. We believe this emerging independence is one of the greatest benefits of camp. It is one important way your child develops greater resilience. Contacting you by phone essentially means they have not made this transition. It prevents us from getting to problems that may arise and addressing them quickly. Sending a cell phone to camp is like saying to your child that you as the parent haven't truly come to peace with the notion of them being away from you and in our care. We agree to tell you if your child is experiencing a challenge in their adjustment to camp. *You can help* by talking with you child *before they leave for camp* and telling them that there is always someone they can reach out to, whether it be their counselor, a trusted activity leader, a lifeguard, a dean, the camp nurse, the director. We are all here to help. Please don't give your child permission to break this rule: it is a confusing message and a precedent about how other rules apply to them.

Phone Calls: Phones are available for use by campers only in case of emergency. The office phone number is 207-724-3200. If the office is closed and **IN THE EVENT OF EMERGENCY ONLY** you may call 207-724-3300. Please do not call this line for administrative or non-emergency reasons.

Camp Store, Mission, and Store Accounts: The camp store sells postcards and stamps, Pilgrim Lodge T-shirts, hats, and flashlights, memorabilia, and necessary items such as toothbrushes, and film. All Pilgrim Lodge wear is certified sweat-shop and child labor free! All proceeds from the Pilgrim Lodge store go directly to support the ministry of Pilgrim Lodge. No cash is accepted at the store during the week. Parents set up camper store accounts online, or upon arrival. The account is drawn down during the week. On Saturday you will receive any change due or, if the account is opened online, it will be credited back early the next week. During the week the store will open once a day for ice-cream sales (75 cents per cone) and once a day for other items. During the week campers will be presented with information on the camp's mission project and will be invited to make an offering to the project from their store accounts.

Pre-camp Visits Parents concerned that their child is nervous or may become homesick can do some things to help the child prepare for camp. A visit to camp ahead of time is the best way for a child to know what to expect. Please call before you visit. Coming to camp with a friend is another good idea (although we do not house friends in the same cabin).

Group Photos: Every camper will receive an 8X10 photo of all the people in their camp. CD-Roms of digital photos from your camper's week can be purchased at the camp store. If you pre-order a CD on arrival you will save the cost of postage.

Campers staying in the same cabin with friends from home: We do not house friends from the same church together, nor do we grant requests for campers to be together. Our experience is that friends from home tend to relate to one another instead of getting to know new cabin mates. We hope campers will make new friends in their cabin. Cabin time is limited and there is ample time for friends to be together during camp.

Registering for multiple camps: Until June 1, campers entering grade 4-9 may register for only one Pilgrim Lodge youth camp. Grades 10-12 may register for more than one event. After June 1, campers entering grades 4-9 may register for a second event. Campers may also register for a family camp and/or other specialty camp in addition to their Pilgrim Lodge camp before June 1.

Event Cancellation: All events are subject to cancellation due to insufficient registration. If an event is cancelled, full refund of payments (including registration deposit) will be made. Confirmation notices will be sent after a registration is received and accepted.

Mission Project: Each year, the Outdoor Ministry Committee chooses one program to focus our mission theme on. This year the OMC has chosen **Camp To Belong of Maine**. This program offers a week of camp to foster or adopted siblings being raised in separate homes. During the week we will hear from the Camps staff and volunteers. We'll pray for those separated from family and at some point in the week, will accept an offering to help send kids to Camp To Belong. You should have a conversation with your child about what, if any, might be an appropriate gift range. This gift will be withdrawn from your child's store/mission account. To find out more visit our mission page on the PL website or Camp To Belong's national website at www.camptobelong.org. Our mission page also has information on how programs are chosen for those who have a worthy project to suggest for future years.

Please contact us if you have questions, need a health form or a registration form or to schedule a pre-camp visit.

UPDATE ON THE SUMMER FOOD PROGRAM

The enclosed application for *free and reduced school meals* is vital to Pilgrim Lodge. In 2007 we received more than **\$3,000**. This money goes directly into our food operations budget. It is a key program that will help us keep the cost of camp down. The forms are confidential and the information will only be used to determine eligibility. No one at camp will know who is eligible and who is not. It is important to complete the form. Standards set for summer camps are different than public schools so many who do not qualify at school will qualify here. Thank you for taking the time to complete this form. It has made a great financial difference. Sincerely,
Bryan S. Breault, Director.
