

# PATHFINDERS

at Pilgrim Lodge

**JUNE 19- JUNE 22**

We are so excited to welcome you to PATHFINDERS CAMP! Together, we are going to create memories that can guide us for a lifetime. We are going to have amazing adventures! We will worship together in the chapel, visit the waterfront as we are comfortable, and share meals in our wonderful dining hall. The staff will teach us silly and fun songs and everyone at camp will be focused on helping our youngest campers develop a love of Pilgrim Lodge. In addition to our helpful packing list please bring a white t-shirt for some fun crafting. Fancy dinner stuff and even a stuffed animal are also good things to pack. We will play, explore, craft, splash, and discover our best selves as we find paths on and off the boardwalk at this program especially designed for those who are campers for the very first time. We will grow together in faith and fun as we take paths to love each other, love ourselves and love God! Get ready for the best summer ever!

We express our thanks for the land on which we have camp . Recognizing and honoring the history of this land, we remember and honor the Wabanaki people who cared for the land, long before us.

WE INVITE YOU TO BRING A FAVORITE STUFFED ANIMAL TO CAMP TO KEEP YOU COMPANY AT STORY TIME AND CABIN TIME

Arrival Time for PATHFINDERS: June 19 2 – 3PM

Departure Time for PATHFINDER: June 22 9:30 AM

Join in our  
**OUT of THIS  
WORLD** fancy dinner!

When we come together to walk the paths of Pilgrim Lodge and faith learning we soon discover that God's love is so amazing!

We might even say that...

**GOD'S LOVE IS OUT OF THIS WORLD!**

So for our special fancy dinner event we are inviting you to dress up as something out of this world! You could come as Buzz Light Year or something you dream up from the future. Wear antennae and a space t shirt or costume could be great and so could a star, a planet or a galaxy! If you can dream it up, it is perfect! A superhero is a neat idea, an astronaut or an alien from outer space could be so fun! Always optional and not required.

## OUR MISSION FOCUS

The Mission Project this year is

### MAINE SEACOAST MISSION

The people of Downeast Maine are supported by the work of The Mission. Rooted in a history of compassionate service and mutual trust, this powerful group seeks to strengthen coastal and island communities by educating youth, supporting families, and promoting good health. We will learn about this good work and invite campers to make a donation, a prayer and a letter of support to this program that helps children like them study, eat good food and live better stronger lives in community. Check out [seacoastmission.org](http://seacoastmission.org) to learn more.

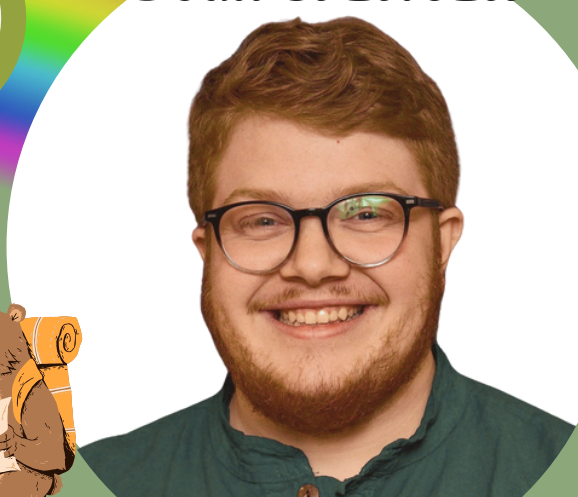

We can't wait to find the paths together at PL with you !
